

Animated demonstrations

If you need help figuring out how to do things on the Societies and Trusts Online website, our animated tutorials will help you on your way. Simply select the '**Play this demo now!**' link for the demonstration you want to view and a short movie will play in your web browser.

Clips will open in a new window, and require [Adobe Flash Player](#) version 7 or higher.

[Demonstration | Becoming a registered user](#)

This demo will show you how to get a User ID, how to log on to use our online services, and how to log off.

[Play the demo now!](#)

[Demonstration | File a financial statement](#)

This demo shows you how to file a financial statement online for an incorporated society.
