

Grants Online

Grants Online is a website operated by the Department of Internal Affairs that is intended for community groups and voluntary groups within New Zealand who wish to receive funding to assist in achieving their goals. In some instances individuals may apply for funding.

This website gives you access to complete online applications to Community Organisation Grants Scheme (COGS) and/or Lottery Grants Board.

You may make a paper application by downloading the relevant grant application form and there are guides and information sheets available for completing these forms.
