

File a paper document

You are also able to file a paper copy of a financial statement using **Form IS4 - Financial statement cover sheet**.

When filing the paper document, an officer of the society must certify that the financial statement was submitted to and approved by the members of the society at a general meeting. The wording for this certification is provided on the financial statement cover sheet. Alternatively, the certification wording should be attached to, or endorsed on, the financial statements themselves.
